

SSR- 154 SHANTY TOWN

CALLED BY: JACK O'LEARY

OPENER - CLOSER

Circle Left

it's only a shanty in old shanty town
roof is so slanty, it touches the ground

Men Star Right, one time around tonight

Left Allemande and **Weave the Ring**

I'd give up my palace, if I were a king

Swing your girl and **Promenade** around that ring

there's a queen waitin' there with a silvery crown
in that shanty in old shanty town

FIGURE Plus, corner progression

Heads (sides) Promenade 1/2 way around

Right & Left Thru, turn the girl around

Square Thru 4 hands around you know

Dosado that corner, once around

Touch 1/4, Follow your Neighbor and Spread

to the corner, **Swing** that corner and **Promenade**

oh, there's a queen waitin' there with a silvery crown
in that shanty in old shanty town

BREAK

Sides face Grand Square

there's a shanty in a town with a little bit of ground

where the green grass grows all around, all around

roofs down, roofs gone, how it tumbles to the ground

yes a little grass shack, sets way back, 25 feet from the railroad track

hangs on my heart all the time **4 ladies promenade**

be so happy, hiallie sallasie if I was a king wouldn't mean a thing

Swing your lady there and **Promenade** the ring

there's a queen waitin there in a rockin chair

blowing her top and combin her hair

whip it on round and truck it on down

cause I got to get back to my shanty town
