WHAT A DAY FOR A DAYDREAM

OPENER

Circle Left

What a day for a daydream
What a day for a daydreamin' boy

Left Allemande, Dosado

Left Allemande and you Weave the Ring

I've been dreaming since I woke up today

Swing that girl and Promenade I say

And even if you're not there by my side

It's one of those days to take a walk outside

FIGURE Mainstream, corner progression

Heads you Promenade go Halfway

Down the middle, Square Thru Four hands

All the way and do a Right and Left Thru

Veer Left and Couples Circulate one notch

Half tag, Scoot Back, Scoot Back again

Swing that corner and Promenade that ring

I may be daydreamin' for the rest of the day

'Cause you're the one that makes me feel this way

MIDDLE BREAK - CLOSER

Four Ladies Promenade go inside the ring

Get home and give that man a great big Swing

Join hands and Circle to the Left now

Left Allemande and you Weave that ring

I've been dreaming since I woke up today

Swing that girl and Promenade I say

And even if you're not there by my side
It's one of those days to take a walk outside
