## NEW TATTOO BLUES

(A Jimmy Buffett Tribute)

Writers: Richie Castellano, Joe Ferry

Copyright: Richie Castellano Music, Joe Ferry Music

*This is a two-couple Plus Patter dedicated to the late, great Ernie Kinney and Hi Hat Records. Ernie made several two-couple patter records in the 1990's which were great for dancers who didn't have enough for a full square, and a wonderful teaching tool for newer callers learning how to call.*
